

PATHOLOGY AND LABORATORY MEDICINE AND MICROBIOLOGY

LABORATORY REPORTS BY FAX REQUEST

C 480 (Rev. 04.2025) Page 1 of 1

To meet accreditation requirements, the receiving physician or department will be responsible to ensure that:

- the fax machine is on a dedicated telephone line and located in a secure location
- · the fax machine is monitored regularly and has sufficient paper at all times
- only authorized staff handles the reports

Should any of the following occur, please contact us.

- 1. Illegible or incomplete transmission
- 2. Reports received in error (misdirected). Destroy reports immediately.
- 3. Change in fax number
