

Bike Share Toronto – Sinai Health System employee offer* Partnering together to flatten the curve

\$40 off a Bike Share Toronto annual membership!

Bike Share Toronto offers 24/7 convenient access to 6,850 bikes and 625 stations across 200 km² of the city. Whether you're commuting or exploring the city, bike share is a safe, flexible and cost-effective way to navigate Toronto.

How to take advantage of this special offer

1

Request a code via email

- Sinai Health System employees request a unique code for redemption via email (preferred) customerservice@bikesharetoronto.com or call 855-898-2378
- Provide a valid sinaihealth.ca or lunenfeld.ca or phenogenomics.ca workplace email to receive a unique code for redemption. Must be used within 30 days or it expires.

2

Get a code and register

- Upon validation, the eligible participant will receive a unique code
- Participants must create an account on the Bike Share Toronto website online registration page to use the discount code

3

Become a member & get riding

- Complete the online registration form and receive a membership number
- Download the CycleFinder app and start using the Bike Share Toronto system immediately
- Welcome package with member key will be sent within 3-5 business days

How to get riding on Bike Share Toronto

PLAN

Access the system pricing map & plan your route via the CycleFinder app or at www.bikesharetoronto.com/app/

UNLOCK

Use your member key or enter code from the station kiosk or app into a dock with a bike to unlock and ride

RETURN

Enjoy unlimited 30-minute, station to station trips while your pass code is active. Return to any station citywide and repeat

Your annual membership **includes unlimited 30-minute station to station trips**. Want to continue riding, unlock a bike with your membership key and start a new trip. For trips exceeding 30 minutes, an average fee of \$4 per additional 30 minutes of trip time applies.

DOWNLOAD THE PBSC/CYCLEFINDER APP

To unlock a bike, enter the ride code from PBSC/CycleFinder, scan a QR code with the app or use your member key.
